Time Changes Are Coming!

Daylight Savings Time ends on November 1 st . Several club members have inquired whether our evening events could begin earlier during the months with shorter daylight hours. This was discussed at our Board Meeting, and it was decided to do so on a trial basis during the month of November. **Instead of gathering for cocktails/social time at 5 and dining at 5:30, we will gather at 4:00 PM for cocktails/social time and then be seated for dining at 4:30 PM starting in**

November. Please take note of these new meeting times for all evening events unless a venue cannot comply. We will also continue to plan a luncheon whenever a host is available to do so. If you are able to host a luncheon or brunch or another event, please contact Barb Johnson at 414-543-6245.

Thanksgiving Meal

Urgent: Host needed for Thanksgiving Day dinner! To keep our club's holiday tradition alive, we desperately need a volunteer to host this year's meal at a local restaurant. While we have frequently used **Open Flame** in the past, we are not restricted to it and welcome new venue ideas. We cannot hold the event without a host, so please step forward if you are able to coordinate! Please call Barb Johnson at 414-543-6245 to volunteer.
